Welcome To Gabbie Stadium

The Home Of The Demons

SPONSORED BY RADIO RENTALS

It is a pleasure to welcome the officials, players and supporters of Footscray Eagles to the Gabbie Stadium and hope they will enjoy their short stay in the Club and at our ground. As this is the final home game of the competition and the last time this season we will see our players in action, I wish to write an editorial different from that in the past. Instead I wish to pay tribute to you as followers and supporters for having attended our matches throughout the season and given your support to all our teams in the various grades. For having supported our Club financially as well as by buying Golden Goals, programmes and obtaining goods in our canteen and Supporters Shop for which the Club is sincerely thankful. A special word of thanks must go to our various sponsors and advertisers at our ground. It was with this support and sponsorships that the DEMONS were able to participate in the P.S.L. again this season even though the competition still remains a heavy financial burden on our Club in general.

The Club had many willing workers who assisted in various important tasks to secure a smooth running of proceedings on match days at our home games. To them also our sincere thanks for their voluntary services rendered throughout the year. Unfortunately it was only a small band of devoted supporters and they were not enough by any means. As such I hope that for next season many more workers will come forward to ease the burden of those few.

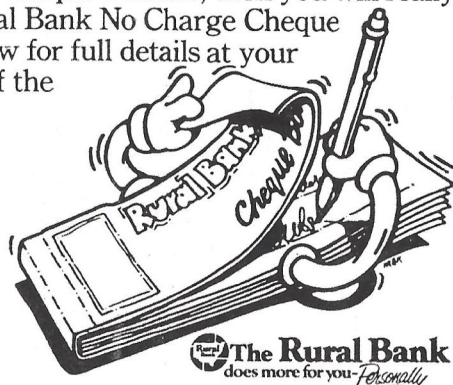

To the youngsters, who attended our games, many thanks for your in general good behaviour and vocal support. We welcome you next season again with open arms and I hope that by having watched the P.S.L. team in action you have learned something from your bigger brothers.

A final word to the players, Club coach Mr. Rale Rasic and team manager Mr. Alan Irving. Even though we had our ups and downs, I wish you to know that our supporters were right behind you in victory and defeat and appreciated the efforts of you as individuals and as a team. We did not obtain premierships and glory except in the Under 16 team who had a magnificent, successful season but all teams from the Under 14's to the highest grade provided our followers with many exciting and entertaining games. For this, thank you all, young and not so old. To the officials of the minor grades who looked after our youngsters so well throughout the year our sincere thanks.

I am convinced that today's match will finish up on a happy and victorious note. So let's hear it this afternoon, supporters. UP THE DEMONS, UP BLACKTOWN CITY for the final game at GABBIE STADIUM in 1931.

DEDICATION — WHERE DOES IT START AND WHERE DOES IT END?

Do you know that the word dedication means "To give up entirely to some special purpose"?

In our Club we have a group of men who are dedicated to the Blacktown City Soccer Club and its members. These men are our directors. We have nine directors on the board who work at their normal jobs during the day like everybody else but then again not like everybody else they give up their leisure time after work and on weekends to get on with the job of administering the huge task of keeping Blacktown City Soccer Club on an even keel.

Some of our directors have given themselves an extra task by taking up positions on the Football Committee which in hours takes up a huge amount of time. The directors of our Club meet once a week to discuss the general running of the Club which is no easy task, so as, in the long term, they want Blacktown City Soccer Club to go on from strength to strength with always their members in mind. They want the members to benefit, because they know that without the members there would be no Club. You might ask the question, "Where do we get such men, along with their wives who understand the work entailed and back them to the hilt?"

These men are not unapproachable. Any member can put forward an idea and if the idea is a constructive one and is going to benefit the Club, this idea will be put forward at their meetings.

These men get nothing in the terms of wages. Their time and dedication is their reward with Blacktown City Soccer Club in their uppermost minds.

GOOD ON YOU, FELLA'S.

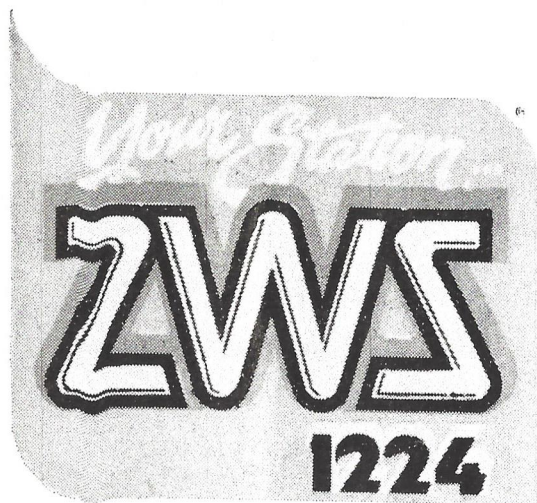

FROM A MEMBER.

BEHIND THE SCENES

Once again another season has come to an end and for many people connected with our Club it means that for a short time they can relax and return to their normal weekend routines and family life. They are people who sacrifice their winter months to make sure that you can enjoy the games to the best of comfort our Club has to offer you. Within the ranks of those loyal workers are the ladies and gentlemen who only see part or nothing at all of the action which takes place on the field of play. As such, a special word of thanks is rightfully in its place to the members of Parramatta Apex Club, who so efficiently sold the admission tickets at every home game and were working well up until half time of the main game with the treasurer, counting the takings for the day. Also the parking attendants, who never did get a chance to see a game of our Youth team in action. But in comparison to the members who served you all in our canteens and Supporters Shop, their work was really easy. The canteen staff starts as early as 9.30 a.m. and do not relax and finish their work until well after the game has finished. Not only on Sundays, but often enough over an entire weekend, when our Federation Youth teams play at home as well on Saturdays. If you have ever watched them, while waiting in the queue to get served you must have noticed that they are going flat out and seldom get a break from noon onwards. Their view of the game is always blocked by spectators and even though they are ten yards away from the play, often enough they have to ask what is going on. To get an indication how the game develops, they can only go by your cheering booing and reactions. There is no doubt that they are in the worst position of all voluntary workers if it comes to watching the game, and make the greatest sacrifice, especially as they are keen followers and never miss a game, if the team plays in N.S.W. To them the Club's special thanks for the tremendous job and hard work they have done, not only this season, but last season as well.

You may have noticed also that at the gate you are always welcomed by a few members with an everlasting optimistic outlook that the team is going to win, our faithful programme sellers. What you most probably did not know, was that one of them never sees his son playing in the Youth team while he is out there flogging the programmes. The same goes for the chaps out in the carpark who make sure that after the game you can depart again in a convenient way and without possible hold-ups.

The only fortunate workers are those who make themselves available to ground control and the ballboys who are all players from our N.S.W. Federation Under 14 team and are closest to the action, and especially the latter ones did a mighty job.

There are many other Behind the Scenes workers, from Golden Goals sellers to some who perform their duties in the Club. To all and everyone I wish to thank you all on behalf of the Football Committee and the Club Directors and our loyal supporters throughout the season.

GOODBYE FOR 1981 AND SEE YOU ALL AGAIN IN '82.

INTER-DISTRICT YOUTH SCENE

Sponsored by BRIAN COLLINS MOTOR CYCLES

As this will be the last programme printed this year, I would like to take this opportunity to thank the many people who have helped to make this year's Youth a huge success. Firstly the boys who, both on and off the field, conducted themselves with pride for Blacktown City; coaches and managers for the many hours they put in with their respective teams; our President Kerry Frost and his Committee; Graham Ikin, Barry, Dave, John Allers, Keith Healey, Jan, Joyce, Allen, Noel, Jimmy Horner, Ros, Bill and Val, Bob Powell; Sponsors, Peter Thorne; George Woodcock and his Committee; Seven Hills Club; four P.S.L. players, Demon Girls and Tony the Demon — who attended our Youth final; Betty and Keith for their help and encouragement; Supporters Club; Gordon and Tom, as the price they charged was hard to beat — no other firm would do it for nothing. A special mention to Jim Johnson who was a big help with our Youth this year and many other people too numerous to mention.

At the time of writing our 16's have just completed a hard three-day carnival for the New South Wales Titles. The boys, along with winning their section and being runners-up in the Metropolitan Titles, were also, to the same team, runners-up in the New South Wales Titles — a very fine effort.

The 15's, after finishing fourth in their section, have gone on to reach the finals of the Polonia Cup which is to be played at Chopin Park on Saturday, 12th September at 1.15 p.m., with wins over Polonia, Nepean and Manly.

The 14's finished sixth and having played some good soccer were beaten in the second round of the Cup.

Wishing all boys every success in the future.

RAY TUNBRIDGE,
Youth Co-ordinator.

TOWARDS TOMORROW

Match Day Promotion for 1981 ends today at "The Gabbie". We have witnessed marching girls, "Tae Kwan Do", tiny tots playing soccer, young girls and boys playing with great skill and enjoyment. The Blacktown Demon has graced the turf many times and to all these performers I say thank you.

Sometimes the applause or laughter for these people has been more enthusiastic than for the main match. But the aim was achieved this year because in looking around "Gabbie Stadium" the large number of children shows that Blacktown is a family club, much more than any other I have seen in P.S.L. soccer. And that can only be good.

My thanks for assistance to Alan Wilson and Derek Byrnes.

P.S.L. YOUTH

Here we are at the end of what must be regarded, from a results point of view, as a rather disappointing season.

However all perhaps is not as dark as it may appear, if we take into account the number of players who until this season had played at no higher level than 3rd Grade 1st Division. Glen Davies, Mark Dodd and David Pruss are three such players who gained valuable experience this season, and will be an asset to the club during the coming seasons.

Another player to stand tall, in more ways than one, was Dave Taylor, whose strength, height and determination showed up in many games.

I take this opportunity then to thank all players in the Under 19 squad for their efforts and support during this very trying season; also for the way in which they conducted themselves both on and off the field being a credit to themselves and the Club. In particular to captain for the first half of the season, Glen Johnston who set his own standards and was an example for his fellow team mates to follow and who, through no fault of his own, had perhaps an indifferent second half.

On behalf of the players and myself, our thanks to masseur/steward, Barry Davies; Manager, Neil Cook; launderers, Ces and Joy Laughton, and you the supporters for whom we hope we can provide an end of season home win today against the only team below us, Canberra Arrows.

KEITH HEALEY.

"A SMILE"

A smile costs nothing, but gives much. It enriches those who receive, without making poorer those who give. It takes but a moment, but the memory of it lasts forever. None is so rich or mighty that he can get along without it, none is so poor but that he can be made rich by it. A smile creates happiness in the home, fosters good will in business, is the countersign of friendship. It brings relief to the weary, cheer to the discouraged, sunshine to the sad, and is Nature's best antidote for trouble. Yet it can not be bought, begged, borrowed or stolen, for it is something that is of no value to anyone until it is given away. Some people are too tired to give you a smile. Give them one of yours, as none needs a smile so much as he who has no more to give.

AUTHOR UNKNOWN.

(May we all smile a bit more next season)
